

January–June 2026 Scripture Reading Guide

Happy New Year!

We're glad you're here. Over the next six months, we'll take a steady, unhurried journey through the Gospel of John—listening closely to the life and words of Jesus. Along the way, we'll pray through the Psalms and receive wisdom from Proverbs, letting Scripture shape not just what we know, but how we live.

This guide is meant to be followed at a gentle pace. Each weekday includes a reading from John, along with one Psalm and one Proverb. Psalms are read sequentially, and Proverbs follow the day of the month.

Fridays are set aside for rereading. You may choose to read the entire chapter again, return to a smaller portion, or linger with a single verse that has stayed with you. Let your pace slow, and allow God's Word to meet you where your attention is being drawn.
